Notification dated 26th September 1949.

To

All Heads of Departments.

Subject :—*Re* purchase of Return Tickets by the candidates proceeding to Foreign Countries for Higher Studies.

No. 608—Books. The Heads of Departments are requested to advise the candidates sponsored by them for foreign studies to avail themselves of the opportunity of purchasing a Return ticket for their journeys when the period of their study does not exceed a year and wherever such Return Tickets are available at a concession rate. It will be cheaper to do so as reduction of 10 per cent is generally allowed by the Travel Agents. When, however, after obtaining a Return Ticket, a candidate is obliged to extend his stay over a year the amount of the return passage will be refunded by the Travel Agents, if intimation of the same is given to them one month before the expiry of the date.

The Heads of Departments may, therefore, pass in full the bills of the Travel Agents where Return Tickets have been purchased by the candidates if a certificate to the effect that the proportionate amount will be refunded in case the return journeys are not undertaken, is given by the Travel Agents.

OFFICE OF THE COMMISSIONER FOR FOOD PRODUCTION AND *EX-OFFICIO* CONTROLLER OF CIVIL SUPPLIES IN MYSORE BANGALORE.

Notification dated 29th September 1949.

No. F. 2516. In their Notification No. 1993—C. B 66-42-2, dated the 9th September 1949, Government are pleased to appoint me as Commissioner for Food Production Scheme and I have assumed charge of the Commissioner for Food Production Scheme with effect from 10th September 1949.

The Heads of Departments and the public are hereby requested to send all correspondence relating to Food Production Scheme to the following address.

"M. K. Appajappa, Commr. for Food Production in Mysore, United India Buildings, Bangalore 2."

Notification dated 6th October 1949.

(Revised arrangements in yarn distribution.)

No. T. 2718. The present distribution arrangements in yarn remained in force since the reimposition of controls whereby the allotment of yarn to powerlooms was being arranged by the office of the undersigned and for Handlooms through the Deputy Commissioners of the Districts concerned except in the case of Bangalore City and Bangalore District where the distribution was arranged by the office of the Controller of Civil Supplies.

2. However since February 1949, the demand for yarn slackened owing to increase in yarn prices and lack of demand for handloom and powerloom goods as a result of competition by mill-made cloth which was abundantly available comparatively at cheaper rates. Consequently the demand for yarn decreased and large yarn quotas had to be lapsed to the mills.

3. To overcome the above difficulties and to reduce the cost of yarn in order to assist the handloom and powerloom industries in the State, the following revised arrangements are laid down in exercise of the powers conferred on me by Clause 30 and sub-clause (1) (a) and (b) of Clause 32 (1) of Textile Control Order, 1948 and sub-clause 1 (a) of Clause 22 of the Mysore Cotton Textile Control Order, 1948 as the matter relates to distribution and margins of profit of dealers respectively.

Method of Distribution.—

1. The State Nominees will function hereafter subject to condition laid down below with effect from the date of this notification.

2. The procurers of certain mills who were not entitled to procurers' margin will function hereafter as agents of the respective mills. They should sell yarn at ex-mill rate *plus* Sales Tax *plus* ½ per cent centage to be remitted to Government as before *plus* actual transport charges, if any. (They need not collect 1½ per cent procurers margin on yarn to be sold to the wholesalers as the collection of this margin has been waived by Government). But they should remit to Government centage and procurers' margin on stocks already sold to wholesale dealers.

3. The procurers *cum* consumers who were getting yarn from the mills direct for use in their factories are required to remit ½ per cent centage and 1½ per cent procurers margin on yarn already purchased by them But they are required to remit ½ per cent entage only on yarn to be purchased hereafter and they are no more required to pay 1½ per cent procurers margin.

4. The procurers *cum* wholesalers have got to remit to Government ½ per cent centage and 1½ per cent procurers margin on yarn purchased direct from the mills and sold already. But on yarn to be purchased hereafter direct from the mills they are required to remit ½ per cent centage only.

5. The procurers who were hitherto entitled to procurers margin are classified as procurers *cum* wholesalers and they function subject to conditions laid down in para (4) above.

6. Where the above classes of distributors purchase yarn from mills direct either local or foreign under free sale or under Ad-hoc supplies they should remit ½ per cent centage to Government and declare such stocks to this office for issue of release order. In case such release orders are not issued within five days from the date of declaration they are free to sell such yarn under free sale to customers of their choice, provided they remit to Government ½ per cent centage before such sales.

7. Sri Shankara Textile Mills, Davangere, who were required to function as Nominees for their yarn sold in Mysore State should or credit to Government ½ per cent centage and 1½ per cent procurers margin on yarn sold by them to wholesale yarn dealers within Mysore State up to the date of this Notification. From the date of this notification they are required to collect and remit to Government ½ per cent centage only on yarn that they may sell to wholesale dealers who have their place of business within Mysore State.

Wholesale Yarn Dealers.

1 The wholesale yarn dealers will be allotted yarn out of the State quota as at present and they are entitled to charge 2½ per cent wholesale margin instead of 3 per cent as at present.

2 Wholesale yarn dealers to whom powerloom factories are attached are required to sell yarn to them as per the quota already fixed. In case such powerloom factories do not pay for the goods and lift the allotted quota within ten days from the date, the concerned wholesale dealer sends intimation to the powerlooms; then the quotas of such powerlooms may be treated as lapsed and may be sold to powerlooms or to retail yarn dealers of their choice.

3 Wholesale yarn dealers who are now attached to the Districts for purposes of yarn distribution to retail yarn dealers are free to sell yarn quota allotted to them to the retail yarn dealers of the Districts, to which they are attached

4 Where the wholesale yarn dealers purchase yarn under free sale direct from the mills (either local or foreign) they are required to remit ½ per cent centage to Government and sell such yarn to powerloom factories or retail yarn dealers of their choice throughout the State, subject only to 2½ per cent wholesale margin. The right to sell such yarn will accrue to them only after crediting ½ per cent centage to Government and after declaration of such stocks to this office.

5 Yarn purchased by wholesale yarn dealers under free sale from the mills for purposes of export outside the State is subject to the same procedure as laid down in para 4 above.

Retail yarn Dealers:—

The retail yarn dealers in the State are free to purchase yarn without restriction as to quantity or count from the wholesale yarn dealers attached to their district and sell such yarn to the weavers attached to them as well as to any other consumer within the district in which they have their place of business. From the date of this notification they should charge 5 percent retail margin only calculated on Ex-Mill rate instead of 6¼ per cent as at present. They are free to purchase yarn and sell such yarn as indicated above and they need not await any distribution instructions either from this office or from the Deputy Commissioners of the Districts concerned.

Margin of Profit and Other Charges:—

In effect the margins of profits will be as indicated below on Rs. 100 Ex-mill value of yarn.

1	Sales Tax ...	0	8	0	(Calculated on Ex-mill value)
2	Centage ...	0	8	0	(Do do
3	Wholesale Margin ...	2	8	0	(Do do
4	Retail Margin ...	5	0	0	(Do do
	Total ...	8	8	0	

Handling and Transport Charges on Yarn from Mills to Consumers.

1 In the case of yarn manufactured in the Mysore Spinning and Weaving Mills, Minerva Mills, Krishnarajendra Mills, Bangalore Woollen Cotton and Silk Mills, Bangalore, the dealers can charge actual handling and transportation charges which in the aggregate should not exceed 0-5-0 per bundle of 10 lbs. by the time yarn reaches the consumers.

2 On yarn manufactured in Davangere Mills, Sri Shankara Textile Mills, they are entitled to charge actual charges which in the aggregate should not exceed seven annas (0-7-0) per bundle of 10 lbs. by the time yarn reaches the consumers.

3 On yarn manufactured in mills outside Mysore State they are entitled to charge actual expenditure which in the aggregate should not exceed Re. 0-10-0 per bundle of 10 lbs. by the time yarn reaches the consumers.

The above revised arrangements in yarn distribution will come into force from the date of this Notification and will continue to remain in force till 1st January 1950.
